CNR: No Effect On Service

EMO Decries Railway Changes

LINDSAY (ENS) — The joint Victoria - Haliburton Counties Emergency Measures Organization Committee is making its feelings known to Canadian National Railways regarding decision to centralize operations in Peterborough.

County Council heard last Wednesday that the Committee has recently endorsed unanimously contents of a letter received from the Dysart Industrial Committee regarding the proposed changes.

The Committee feels that transportation and communications supplied by the C.N.R. to Haliburton County would be a vital part of plans for any emergency either local or national.

Six firms in Haliburton County sent strongly worded letters of protest to Dysart Council recently objecting to the company's proposal to have railway operations centralized in Peterborough. They also decried the removal of full-time agents from Haliburton and Fenelon Falls. Under the new arrangements both centres would be staffed with "on hand representatives".

Outlining the move here recently, C.N.R. officials said the plan is part of the move to centralization. This involves establishing "master agencies" at Belleville, Brockville, Ottawa and Peterborough.

The company officials told newsmen that the move to Peterborough would not make any difference to the service as far as customers were concerned. He stressed that the only reason for the change was to streamline the operation.

However, many businessmen in Haliburton County disagree with these comments.

Dysart Council decided recently to send strong letters of protest to the railway representatives at Ottawa and Toronto, the Minister of Transport and the Minister of Northern Affairs. The town of Lindsay is also being asked to support the Dysart Council's stand.

Wayne Wood, Dysart Township Clerk, in a letter to William Scott, Victoria - Haliburton riding M.P., points out that it is the Council's belief the action contemplated by the C.N.R. is the first step in eventual withdrawal of railway service to the area. Council strenuously objects to any change in the existing service, he added.

The matter will be dealt with in detail at a later session.

(Peterborough Examiner)

Haliburton Rink Wins Local Skyline Bonspiel

A rink skipped by Don (Joe) Iles of Haliburton won the 9th Annual Skyline Bonspiel held at the Haliburton Curling Rink on the weekend. It was the first time in the history of the Skyline Bonspiel that a Haliburton rink had taken top honours.

The winners received the Adams - Labatt Trophy.

Runners-up was a rink skipped by Keith Carberry from Ottawa.

Our congratulations to the winning rink of Joe Iles, skip, Raymond Scott, vice, Len Salvatori, second, and Ken Wilson, lead.

The prize winners were as follows:

A Event (Adams - Labatt Trophy. 1st - Joe Iles, Haliburton; 2nd - Keith Carberry, Ottawa; 3rd - Walter Webb, Haliburton; 4th - C. Czerwinski, Bancroft.

B Event (Lloyd Moore Esso Trophy: 1st - Bob Kenny, Port Perry; 2nd - Wayne Hussey, Oshawa; 3rd - George Whitfield, Bancroft; 4th - Lou Consky, Toronto.

C Event (Curry Motors Trophy): 1st - Bill Puffer, Lindsay; 2nd - Frank Andison, Haliburton; 3rd - Earl Dawson, Toronto; 4th - Bob Skitch, Oshawa.

Thirty-two rinks participated in the three-day bonspiel, with only three local rinks entered. The first draw started at 4 p.m. Friday, and there were four draws on Friday night, eight draws on Saturday, and the playoffs on Sunday were all finals and semi-finals.

The closest rinks participating were from Bancroft, Apsley and Lindsay, and the farthest away rink came from Mount Hope. Others included were from Peterborough, Port Perry, Uxbridge, Brechin, Brampton, Rexdale, Bowmanville, Lakefield, Ottawa, Islington, Milton, Whitney, Port Credit, Toronto, five from Oshawa and four from Bancroft.

Oshawa has had at least four rinks entered in the Skyline Bonspiel every year since the bonspiel started, and they have come to Haliburton in numbers for years previous to that.

The lucky draw was won by Mr. Rea Stinson of Haliburton.

The bonspiel buffet and party was held at Bonnie View Inn with well over 100 people attending.

Glamorgan Township Inaugural Meeting

The Inaugural Meeting of the 1938 Council of the Township of Glamorgan was held in the Township Office on January 8th, commencing at 11:00 a.m. The Reeve, all Councillors and Pastor Glen Pitts were in attendance.

After the Clerk had taken the Oaths of Office of the Reeve and Councillors, Pastor Pitts offered a word of prayer asking guidance for the new Council throughout the coming year. The Reeve graciously thanked Mr. Pitts and gave a short speech commending her three former Councillors on their return to office and welcoming our new Council member.

After these formalities were dealt with, Council settled down to business at hand beginning with the reading and passing of the minutes of the 1937 Inaugural meeting and the December 1937 meeting. Bills and Accounts followed, being passed in the amount of $392.64. Correspondence was read, approved and passed.

Council here adjourned for lunch, reconvening at 1:00 p.m. at which time the Road Superintendent was present and road problems were discussed. Cars parked along Township roads has been causing some problem so far as snowplowing is concerned, and Council decided that the offending owners should be notified and if necessary further action taken.

The problem of snowplowing private driveways again came in for considerable discussion as it seems some residents are still of the opinion that this is a Township obligation, contrary to the instructions issued by the Department of Highways.

Attention was then turned to the financial set-up of the Township and it was decided, and a By-Law passed to this effect, that it would be more convenient to transfer the Township's account to the Bank at Haliburton rather than Fenelon Falls, and that a petty cash fund should be established for the Clerk's use.

The following appointments were then made for 1938: Weed Inspector - Albert White; Stock Evaluator - Theodore Peacock; Fence Viewers - Alex Reil and Thomas Dovell; Pound Keeper - J. C. Graham; Fire Marshall - C. J. Stoughton; Trench Excavator Inspector - W. O. Hunter; Councils Representative to the Recreation Committee - James E. Dewey; Library Board - Allan Hadley, Dallyn Pickens, Glen Pitts and Ronald Barr; Welfare Administrator - Victoria R. Agnew; Welfare Committee - James E. Dewey and Dallyn Pickens.

It was decided that an early meeting with the Department of Highways representatives would be advantageous and the Clerk was instructed to arrange this meeting as soon as convenient for all concerned.

This concluded the day's business and the meeting was adjourned to February 7 at 6.30 p.m.

Bantams Win Over Fenelon

The Haliburton Bantams kept on their winning ways with a 7-2 victory over Fenelon Falls in an O.M.H.A. Bantam game played in Fenelon Falls on Monday night.

Cameron Botting, who is an outstanding hockey player, led the winners with four goals while single tallies went to Ricky Woods, John Wilson and Floyd Henry.

The Haliburton Bantams have only lost one game this season.

$175 Damage

Total damage of $175 resulted when a car went out of control on Sunday night on the Old Buckhorn Road, north of Gooderham, and crashed through four guardrails.

Police said the driver of the car was Brian Edward Madill, 19, of 39 Queen St., Lindsay.

Minden O.P.P. Constable M. J. Maher investigated.

'Expo 67' Films To Be Shown

Films shown at the Sermons From Science Pavilion at Expo 67 will be seen in the Haliburton United Church starting on Sunday, January 28 at 8 p.m. (that is this coming Sunday).

The organizers who sponsored these showings were amazed at the great response from Expo '67 visitors who packed the pavilion auditorium for each film. Local people who visited the Sermon From Science Pavilion have expressed their enthusiasm for the opportunity of seeing the complete series. Those who were unable to visit Expo '67 have the opportunity of enjoying one of the fine features of the 1967 World's Fair.

The films scientifically support the truth of God's creative might, and the series promises to be one of the highlights of one's spiritual experience.

The first film for this Faith For The Space Age theme is entitled "Dust Or Destiny". The programme, sponsored by the Haliburton Pastoral Charge Young People, is for young people and adults. The Sunday evening programme will be one hour in length.

Please note the coming film titles in the Haliburton United Church Pastoral Charge advertisement which appears every week in the Haliburton County Echo. The titles will appear for the next 12 Sundays which is the length of the series.

Everyone is welcome, and an offering will be taken to meet the cost of film rentals.

Minden Red Cross Meeting

The Annual Meeting of the Minden Branch of the Canadian Red Cross Society was held in the Anglican Church Parish Hall on Friday, January 19, 1968 at 8:00 p.m.

President J. O. Jackson chaired the meeting, and after the minutes of the last annual meeting were read a number of interesting reports were tabled by the Executive.

The report of the Campaign Chairman for 1967 showed approximately $1,100.00 raised, a little short of our objective. Frank Waters, Chairman of the Red Cross Water Safety, gave his report which also showed a keen interest in the swimming classes, with a number of children again passing their tests in their different age groups. The report from Mrs. Grace McKay, nurse-in-charge of the Minden Red Cross Hospital, advises there were 2,651 collective hospital days, 1,015 out-patients, 775 X-Rays; advisements to no end, so it would appear our local hospital was a pretty busy place in our Centennial Year 1967.

The following donations were greatly appreciated: one dia pump, instrument table, adding machine, stretcher, one Hoyer lift from the late E. A. Rogers Fund, $335.00 in memory of Mr. Donald R. MacQuarrie, and once again hand puppets for the children by Mrs. Flink.

Mark Vasey introduced the guest speaker, Mrs. A. Irene Pappin, Director of Volunteer Nursing Services of the Canadian Red Cross Society. Mrs. Pappin showed a film on the operation of the National Red Cross at Geneva, which was highlighted by Princess Grace of Monaco doing the commentary. This film showed many aspects of Red Cross Assistance throughout the disaster area of Europe, as well as a tour through the Geneva Building and the humanitarian work being done by the National Red Cross Society.

Mrs. Pappin spoke briefly on the work she was doing in the Volunteer Nursing Service and her knowledge of the work being done in local branches of Red Cross Hospitals made her address informal and interesting.

The Officers elected for the year 1938 were as follows: Mrs. Grace Coburn - President; Mrs. Helen Johnson - Vice President; Eleanor Hall - Secretary; Heather Harrington - Treasurer; Mr. Robert Krick, Barbara Elder and J. O. Jackson were appointed as Directors.

Our new President addressed the meeting on the many aspects of the work being done by Red Cross on the national level. This assistance would not be available on the scale it is being conducted if it were not for the efforts of the individuals and our local Red Cross branches.

At the close of the meeting an enjoyable lunch was served.

Teachers' Convention Held

The Haliburton Teachers' Institute Convention was held on Friday, January 12 and Saturday, January 13 in the Archie Stouffer Public School at Minden. Approximately 75 teachers, supply teachers and student teachers were in attendance.

Miss Margaret O'Keefe, Primary Supervisor of Separate Schools, of Peterborough instructed in the use of the graph in the new mathematics programme.

Mr. Douglas Inglis, Principal of Orde Street Public School, Toronto, and former Toronto Board of Education, carried on a workshop for the two days in geometry, using the investigation approach in group situations in mathematics. He proved mathematics can be fun with games and also meaningful as drill devices.

There was a display of new text books and materials available in mathematics.

A luncheon on Friday was served by the ladies of Zion Church, Carnarvon.

Our visitors enjoyed our beautiful Haliburton Highlands scenery on a lovely, brisk, sunny January day.

Our convention and workshop proved very successful, and those teachers who attended received greater insight into this new phase of mathematics.

Bancroft Trapper Found Dead Near Trap-line

James Watson, a 60-year-old trapper of R.R. 3, Bancroft was found dead in the bush at 7 p.m. last Thursday by a son and a brother after he failed to return from his trap-line.

Ontario Provincial Police at Apsley said the man is presumed to have died of a heart attack. He is also survived by his wife, Elizabeth.

Mr. Watson went out on his trap-line at 1 p.m. and when he had not returned by the supper hour, his son Donald and his brother, also Donald, went searching.

A Personal Letter To William Scott M.P.

The following is a personal letter re the proposed railway changes written to William C. Scott, M.P., by Wayne Wood, Clerk of the Municipality of Dysart et al:

January 11, 1938.

Mr. William Scott, M.P.,
Parliament Buildings,
Ottawa, Ontario.

Dear Bill:

I can not stress too strongly the opposition locally to this move by C.N.R. I feel you must use everything at your disposal to counter this proposed change.

I hope that the people at Belleville (C.N.R.) do not think we are so stupid or dull-witted to not recognize this move for what it really is, however, if the past 100 years has taught us anything it is that C.N.R. have not been noted for their foresight. When every other agency of Government in Canada today is attempting to assist us with Industry and Tourism, we have these people proposing some half-baked ideas which will only produce one result, the loss of business and eventual discontinuance of service.

I personally can not see any great saving or improvement in what is now advocated by C.N. as progress, but rather the reverse situation.

We can not afford changes in this necessary service at this time and we do not intend to stand still while those who are essentially civil servants, regardless of their title, tell us something we know is not correct, or the whole story behind this seemingly harmless move.

It would be appreciated if you could keep us advised of your progress.

Sincerely,

Wayne Wood.

Results Of Questionnaire Distributed In November By William Scott, M.P.

Many of the residents of Victoria - Haliburton, who took the trouble to complete and return the questionnaire I sent out in mid-November, asked that the results be made known.

The following precentages are based on the 1,866 questionnaires returned to date from a total of 15,433 sent out.

QUESTION	Approve	Disapprove	No Opinion
1. Lockage Fees on Trent Canal System	60%	19%	21%
* 2. Abolition of Capital Punishment	35%	62%	3%
3. Raise Basic Tax Deduction	71%	21%	8%
4. Lower Voting Age to 18	28%	70%	2%
5. Lower Voting Age for Servicemen Only	30%	57%	13%
6. Tax on Capital Gains	41%	46%	13%
7. Government Price Controls	69%	23%	8%
8. Government Wage Guideline	72%	20%	8%
9. Educational TV Network	59%	26%	15%
*10. Televised House of Commons Debates	67%	24%	9%
11. Broaden Grounds for Divorce	76%	18%	6%
Permit Circulation of Birth Control Information	76%	14%	10%
Government Lotteries	68%	22%	10%
*12. Admission of Red China to United Nations	56%	24%	20%

There are some points that require clarification, as the figures tend to be misleading.

Question 2: At least 10%, and possibly more, of those who approved of abolition did so on the condition that (a) capital punishment would be retained for the murder of law enforcement officers; (b) capital punishment would be retained for cases involving the murder of a child; (c) life imprisonment would mean the murderer's natural life.

Question 10: The figure of 59% represents for the most part, those who wish to see only those debates that are of special interest to the nation. However, a great many people have shown a keen interest in "keeping tabs" on the Member and whether or not he is in his seat! I think the latter point needs some explanation. The Press have given a great deal of prominence to the seeming lack of interest Members of Parliament show in the day-to-day proceedings of the House. Because a particular Member is not in his seat does not mean he is shirking his responsibility. Sitting in the Commons Chamber is only a small part of an M.P.'s job. If he were to be in his seat at all times, it would constitute a minimum of 25½ hours weekly — a virtual impossibility when one considers that there are meetings every M.P. is expected to attend, which usually take up three mornings a week and sometimes cut into the hours the House is sitting. Nor would this leave time for handling the voluminous correspondence most of us receive, or for making the numerous phone calls and personal visits to various government agencies which are so necessary in attempting to iron out constituency problems. And these things must be done during regular working hours. So that, when an M.P. leaves his seat after Question Period, nine times out of ten he is leaving it to attend to constituency business, rather than sit through a debate that often has no bearing whatever on his particular area. I might mention, at this point, that, during recesses of the House of Commons, contrary to popular beliefs, we are not "on vacation". Because we are home doesn't mean there is any respite from work. Most of us have a great deal to do within the constituency that can be done more readily there than from Ottawa.

Question 12: Most of the 56% who approved of admitting Red China to the United Nations did so on the condition that Nationalist China retain a seat. This is a condition that the Red Chinese are unwilling to accept.

I would like to take this opportunity to thank the residents of Victoria - Haliburton for their interest and for the many letters that accompanied the returned questionnaires. Many of you made excellent suggestions, for which I am most grateful. And my gratitude goes out, as well, to those of you whose witty comments provided a hearty chuckle . . . and to those of you whose words of encouragement were so heart-warming. Thank you all.

The Haliburton School Of Fine Arts

is pleased to invite you to its

FIRST EXHIBITION

in our new ART CENTER on Highland Street

in the VILLAGE OF HALIBURTON.

We are pleased to present the

Fourth National Burnaby Print Show

through the courtesy of the Art Institute of Ontario

January 25, to February 8, 1968

from 2 to 4 p.m. each day except Sundays.

We are also happy to say that Mrs. Katja Jacobs-Kennedy of Toronto will give a lecture and demonstration of print-making in connection with this exhibit on SATURDAY, JANUARY 27TH, 1968 at 8:00 p.m.

We hope you will drop in to see the Exhibit, and that you will also attend the program on the evening of January 27th.

THE MANAGEMENT COMMITTEE,
THE HALIBURTON SCHOOL OF FINE ARTS.

Hyland Crest Auxilliary Annual Report

I, the Secretary for 1968, have been requested to submit a resume of the activities of the Auxiliary of the Hyland Crest Senior Citizens' Home for 1967.

The 17th regular and the second Annual Meeting were held in the Craft Room of the Home on Tuesday, January 9, 1968 at 8 p.m., with a not good attendance. How about it?

Mrs. Grace Coburn, the President, stated that Canada's Centennial had a very special significance for Haliburton County in that we were the recipients of this very beautiful Hyland Crest Home, outlining some of the highlights of 1967.

A Doll Display entitled "History in Minature", sponsored by the Ontario Centennial Planning Branch of the Department of Tourism, to which we added a display of antiques, with some members wearing Centennial costumes.

In May a Centennial Fun Party with Mr. Bob Harvey Sr. providing a fine program was held. Decorated box lunches were auctioned, and the Provincial and Federal Members of Parliament were present as well as our Warden and Reeve.

In November our Fall Bazaar, Tea and Bake Sale was held, which we hope will become an annual event. Crafts made by the residents were sold, with Doreen and Leonard Stinson bringing their do-nut machine for on-the-spot do-nuts which were a huge success.

At Christmas gift items for the residents were presented to them after a special Christmas sing-song. Mr. Sid Brown made a wonderful Santa Claus.

There was also a concert by the famous "St. Barts" Choir Boys, and a Thanksgiving concert provided over by Bob Harvey Jr. under the direction of Mr. Bob Morrow and a local group known as "The Village Greens". The Madrigals, under the direction of Mrs. Norman Finney and assisted by the Maple Lake Anglican Junior Choir, also entertained. Muriel and Bud Medley held an evening of bowling, with proceeds providing extra kitchen equipment.

These were just some of the extras as the regular Auxiliary activities went on through the year: Crafts on Monday and Wednesday afternoons; Bingo on Tuesday afternoons; Tea Parties on Thursday afternoon, with a special birthday tea party once a month; and Sing Songs on Friday afternoons.

The reports of the Recording Secretary, Doreen Stinson; the Corresponding Secretary, Mrs. Margaret Horsley; the Treasurer's report by Mrs. Flo Dollo, which was audited by Mr. G. B. Bibby and Mr. Lorne Coburn; and Mrs. Bursey's Membership report were most interesting. We need more members; the fee for 1968 will be $1.00.

Mrs. Isabel Harrison's Craft report covered some highlights of the year not previously covered: A display of work by the residents was shown at the Haliburton Art Show held in the Sunday School on August 5 and 6, and also at the Minden Fall Fair on August 26; Coloured pictures were taken of each resident with the work they had completed, each being given a picture to keep; 14 plastic Christmas Trees were donated and decorated by the residents and placed in the rooms of the residents unable to be up. There were many, many donations, thank you.

Mrs. Lil Stevens, Tuck Shop report, stated how popular the Tuck Shop had become and how busy it was when open.

We also had the election of officers for 1968, which were as follows: President - Mrs. Elsie Bursey; 1st Vice President - Mrs. Doreen Stinson; 2nd Vice President - Mr. Harold Herlihey; Secretary - Mrs. Mary Collacutt; Treasurer - Mrs. Flo Dollo; Past President - Mrs. Grace Coburn.

This about sums it up — the next regular meeting will be held in the Craft Room of the Home on Tuesday, February 13, 1968.

A parting note which I could not leave out — this poem submitted by Mrs. Grace Coburn:

"Tho you've done your best for
others, there will always be
Something else that you can do.
Look around and you will see
Someone in perplexity, in sorrow
or distress,
Needing comfort, friendship and
a touch of kindliness.
Tho you may be weary, having
come the long hard way,
You must go the second mile, it's
not enough to say
You've fulfilled your mission,
done your duty and borne
your share,
There's another hill to climb,
another load to bear.
God will never let us rest content
with what we've done,
Conscience drives us on, another
battle must be won.
Somewhere, someone on the road
is calling out to you,
Somebody is waiting for your
hand to pull him through."

Mary V. Collacutt, Secretary.

MAPLE LAKE

We are glad to see Mrs. Margaret Finney able to take part once more in community gatherings, after being confined to bed with the flu.

Many get well wishes goes to Mrs. Minnie Fader who is in bed with lung congestion. To all sick and shut-ins we wish them well.

Mr. and Mrs. Clarence Redner accompanied by Miss P. Sisson, Miss Ada and Isabelle Gibbs, attended the banquet held at Sir Sam's Inn in honour of the Dysart Telephone staff.

Miss Phrona Sisson is spending a holiday in Florida at present.

St. Peter's Vestry Meeting was held last Saturday afternoon with 13 members of the congregation present.

Mr. and Mrs. Perry Morrison spent the Sunday evening last with his parents at Maple Lake.

Mr. Cec. Hackett of Stayner is doing some fishing and lodging with Sylvester Barry, and is visiting some other friends in the community.

Mr. Earl Dawson and friends of Toronto and Mr. and Mrs. Harold Dawson and Tracy were weekend guests with Mr. and Mrs. S. Dawson; the men folk taking part in the curling bonspiel held in Haliburton.

Miss Dora Dawson is with Mr. and Mrs. Cecil Johnston for a week, and is visiting old neighbours.

Everyone has enjoyed the mild weather just gone around the corner.

Mrs. Carrie Morrison will return to Toronto on Tuesday, January 30 for a further check-up at the Toronto General Hospital, and is hoping not to stay this time.

Some large fish are reported taking bait, with the guys at the huts on Maple Lake. A Toronto man was reported to have caught a 10 lb. lake trout last Saturday.

Any local news for the Haliburton County Echo, please phone West Guilford 2464.

WILBERFORCE

Owners of snowmobiles are taking advantage of the winter weather, and they are enjoying trial runs in anticipation of the Annual Snowmobile Rally sponsored by the Monmouth Volunteer Firemen, an event of the near future.

Mr. and Mrs. Wm. Peck of Maple Lake visited their daughter and son-in-law, Mr. and Mrs. Sam Rivers, on Saturday.

The members of the South Algonquin Snow Packers' Club enjoyed a snowmobile trip north of Wilberforce on Sunday.

Miss Joan Barker, student at Peterborough Teachers' College is teaching in a public school in Lindsay this week. Miss Lynda Mather is teaching at the Minden Public School.

The local trappers had an opportunity to meet Tom Corbett the new Conservation Officer stationed at Gooderham, at the home of Mr. and Mrs. A'Delbert Miller on Sunday evening.

Mr. and Mrs. Karl Marcus of Toronto visited her parents, Mr and Mrs. F. Harold Herlihey last weekend.

We have just learned from the Monmouth Volunteer Firemen that their sale of Christmas Trees was very successful.

Everybody HELPS + Everybody BENEFITS

TOWNSHIP OF GLAMORGAN

NOTICE

Residents of Glamorgan Township are hereby requested to refrain from parking their vehicles on the Township Roads or Right-of-ways thereof in such a way as to obstruct snow-clearing or create a traffic hazard.

ELVA V. BATES, Clerk-Treas.

For Women Who Ski

Skiing continues to rank as a leading sport for activity-minded women during the cold winter months. To provide maximum eye protection from glare and windburn, wear ski goggles when you're on the slopes. Today's wrap-around lenses come in a wide variety of shapes and sizes, designed to make any face more attractive. But wind and weather can cause eye fatigue, headaches and nervous tension even with goggles. So use eye drops from a yellow plastic squeeze bottle, now available in Canada, to soothe and relieve tired eyes.

Haliburton School Of Fine Arts Progress Report

December 31, 1967

In this last progress report of 1967, we have to inform you of several new developments.

In November the Rev. Ronald McCaw, President of the Haliburton School of Fine Arts, and member of its Management Committee, resigned. It was Ron who originated the idea of a school of fine arts for the Highlands, got the original committee together, and guided it on its first steps toward the realization of his dream: an institute similar to Banff in size and scope for Eastern Canada.

His decision to resign was not easy, but he felt the Haliburton School of Fine Arts needed much more time than he, with his increasing work-load as minister of the United Church, could give. In accepting the title of Honorary President, he assures us of his continued association and help as his time permits.

Mrs. Elizabeth Hobden, our Vice-President, succeeds him as the new President of the Haliburton School of Fine Arts.

Because of the growing amount of administrative work, we have engaged a part-time professional secretary. Mrs. Rosalind Munro fills this position until April 1st. Our administration is now being set up in the business-like and efficient manner necessary to any expanding organization.

For our headquarters, we have rented the offices of the late Dr. L. H. Carroll on Highland Street in Haliburton Village. In addition to an office, there is a large double room. This will be suitable for lectures, films, expositions, and for any classes in painting and drawing, etc. which our members might want to have. These rooms are now being furnished.

The most important development is our definite association regarding the organization of our intended courses, with Sir Sandford Fleming Campus in Peterborough. We will, in fact, be running our School as an Extension Division of Sir Sandford Fleming Campus.

Sir Sandford Fleming Campus is one of the Colleges of Applied Arts and Technology started by the Ontario Department of Education by the Department of Education Amendment Act of 1965 in order to "offer programs of instruction in one or more fields of vocational, technological, general and recrational education and training in day and evening courses for full-time and part-time students".

Until the Haliburton School of Fine Arts has grown enough to justify a professional manager, it will be up to us to run it. We have been assured we will be allowed to do this without undue interference, in accordance with the original principles of the School. Within limits of an approved program, Sir Sandford Fleming Campus will pay the bills, and collect the students' fees.

This set-up offers a splendid opportunity to develop the Haliburton School of Fine Arts as originally planned, but, as an Extension Division of Sir Sandford Fleming Campus some changes become necessary. After consideration, we believe the outline given below best serves the purpose.

The name of our local organization will be changed from the Haliburton School of Fine Arts to the Haliburton Guild of Fine Arts. The first name will be applied to the Extension Division of Sir Sandford Fleming Campus.

The aim of the "Haliburton Guild of Fine Arts" will continue to be the promotion of fine arts and crafts in the widest sense of the word, in the Highlands of Haliburton. More explicitly, our aims could be stated as being the promotion of education in, and appreciation of, fine arts and crafts by: 1) promoting the Haliburton School of Fine Arts; and 2) promoting the Haliburton Highlands as a centre for Fine Arts and Crafts for Eastern Canada.

Management of the "School" by the "Guild" until such time as professional full-time management can be justified is the first point. In the long term, the Guild will aim at establishing a Campus with modern facilities and year-round activities, to be built somewhere in the Highlands. The natural beauty and developing facilities of the area justify our belief that such a project can be realized in the not too-distant future.

To make the Highlands the Art Centre for Eastern Canada is our second aim. Here can be established a rallying point where artists would display their work and visitors would see, admire, and purchase art objects made in this country.

Our year-round residents, with little time during the summer for hobbies, would be helped to develop their talents. Winter, as well as summer, will have organized films and exhibitions. Local groups interested in painting, drawing or other crafts will be encouraged to make every use of the year-round facilities offered by the Guild.

Who knows, it might not be long before our regional talent, educated and developed, would replace the imported, mass-produced "Canadian souvenirs" now flooding the market, with their own distinctive and artistic work.

Many will recognize many of the aims as those of the Highlands of Haliburton Art Group, which has for several years organized attractive and successful exhibitions of Highland Arts and Crafts. We have kept in close contact with this organization. Their financial and moral support, as well as the atmosphere and foundation they have established through the years, helped a great deal with the initial success of the Haliburton School of Fine Arts.

Because of their similar aims, a possible merger between the two groups has been suggested and discussed. This would indeed be welcomed by the Haliburton Guild of Fine Arts, but whatever form future relations may take they will be based on the closest possible mutual co-operation.

Realization of our goal demands lots of effort and enthusiasm. We want everyone interested in our aims and with the development of the area, to become a member or sponsor. We emphasize again that the Guild, as the School before it, is owned by its members. These members have the right to vote for the election of officers and on important decisions.

We aim to help everyone interested in Arts and Crafts, but members will be entitled to attend lectures, films, etc. free of charge, or at reduced charge. Members will be able to use the facilities of the Guild.

We are counting on our members for moral support. If they are in a position to do so, we would welcome their help in the work to be done. We would also appreciate their efforts to interest new members in our venture. Perhaps it should be stressed again that our group remains a non-profit organization.

Details of programs for winter, summer and autumn will be mailed to you as soon as possible.

The Management Committee.

Applications Wanted

Applications will be received up to Wednesday, January 31, 1968 for the position of BY-LAW ENFORCEMENT OFFICER for the Township of Stanhope; salary to be determined after audition by Council.

Hand written applications only.

THOS. A. WELCH, Clerk,
R.R. 1, Haliburton, Ontario.

MUNICIPALITY OF DYSART ET AL

THANK YOU MOTHER NATURE

There's one thing that brings people together and makes them forget, for a few hours at least, all their normal rotten, little, miserable, petty, private troubles. That is a good smash in the mid-riff from that gentle old lady, Mother Nature.

Whether it's fire or flood, blizzard or drought, a blunt reminder every so often from good old Mother has a salutary effect on the perpetually whining denizens of the twentieth century.

This time it was that "cold snap" in January. I like that term. It's a typical Canadian understatement.

And we delight in it, as we do at barn fires, heat spells, terrible thunderstorms, beautiful autumns and three-foot snowfalls. It's peculiarly Canadian, and it makes us all become human again, if only until it's over.

People who normally trudge around with a face like an old rubber boot, people who wouldn't be caught dead in a ditch together, suddenly start shouting witticisms like, "Cold 'nuff fer yeh?", beaming through dripping noses and purple countenances.

People who wouldn't be caught speaking to each other in the Black Hole of Calcutta find they have a great deal in common: neither could get his car started this morning.

Then there are the braggarts, but we even put up with them, whom we would normally detest, with the greatest of good spirits. They come in different wrappers. Let's say it's 30 below outside. But there's always some character who lived in Kapuskasing or Yellowknife who swears it was 80 below there all winter, and wasn't even cold, just refreshing. Hacking their lungs out, they say, "This is nothing".

And there's the reverse snob. Through rattling teeth and hunched shoulders, he too claims this is nothing. Why, back in '53 it was down to 50 below and stayed there for a week.

Then there's the rugged type. Pounding himself on the chest, he burbles, "This is great; this is the real Canada; this is what makes us a sturdy, independent people". Three days later you get a card from him. From Florida.

Two types are happy, everything is golden, when there is a "cold snap". They are the fuel man and the tow-truck chap. And bully for them, say I.

But my point is that a nature crisis gets people out of themselves, and perhaps it's better than medicine in this neurotic 20th century.

Forgotten during the "cold snap" are the Vietnam war, higher taxes on booze and fags, your rotten boss and the fact that you can't live another week without an automatic dishwasher.

There is a certain joyous drawing together against the elements and a definite pride in the fact that you can cope. For once, including Expo, there is a common bond, as we rub our ears and stamp our feet and blow our noses in a great national chorus that, to me, expresses the real spirit of Canada, and at least temporarily freezes all thoughts of separatism, divorce, abortion and who's going to be the new Liberal leader.

When you go out in the morning and find that the battery is flat, you don't fuss and cuss. You feel sort of proud that you're taking part in a heroic adventure. You know you're not exactly Scott of the Antarctic, and that you can phone a cab, but you know that all over town, other cars are going, "Argh - argh - arh - ah - uhnn", and it gives you a sense of shared danger and hardship.

There's a tingling and a jingling in the atmosphere. People are grinning and shaking their heads and shouting, "Isn't that a brute of a day?".

And even the domestic problems abate. The other night, it was 28 below zero. My wife is always saying that she might as well leave unless I can "show some understanding". Kim continually threatens to run away to Vancouver and become a hippie. I opened the door and said "goodbye, chaps". Eighteen seconds later they were upstairs, watching TV.

Good old Mother N. Once in a while, she nudges us back to normal, even though the nudge knocks the wind out of us.

CARNARVON

Mr. and Mrs. Ross Hussey of Toronto spent the weekend with Mrs. Nina Hussey.

Mr. and Mrs. LaVerne Thomas and family of Peterborough spent Sunday with Mr. and Mrs. Francis Thomas. Mr. Frank Thomas accompanied them back to Peterborough for a few weeks.

Mr. and Mrs. Gordon Allcorn have returned home after being in Brooklyn since before Christmas.

(Intended for Last Week)

Mr. and Mrs. Ross Harrison have left for a three month holiday in the sunny south. Mr. and Mrs. Sinclair Russell and Colin are staying in the Harrison home while they are away.

Mrs. Mae Pounds of Barrie visited with friends on Friday and was accompanied back to Barrie by Mrs. Nin Stutt for the weekend.

The ladies of the U.C.W. catered to about 70 teachers on Friday afternoon, when public school teachers met for their convention. All enjoyed the delicious turkey dinner.

Mr. and Mrs. Roger Harrison and children of Hamilton visited with their families, the Hal Burtons and Bert Harrisons, for the weekend.

It was a great shock to the community and the many friends to learn of the death of Mrs. Clayton P. Rogers on Sunday morning. Our deepest sympathy to Clayton and their families.

Mrs. Christian Windsor is a patient in the Haliburton Hospital.

HALIBURTON COUNTY ECHO

Wilberforce Holds Ski-Doo Rally

With the temperatures averaging about 15 below zero recently, the children of Grades 6, 7 and 8 of Wilberforce Senior Public Scohol anxiously awaited and wished for a somewhat warmer Saturday for their Ski-Doo Rally. Just to prove that if you wish hard enough your wish will come true, Saturday, January 13 was an ideal rally day.

By 11 o'clock most of the hearty participants arrived looking somewhat different and a great deal rounder in their special rally attire.

At about 11:10 a.m. another rally participant, Mr. Jinx, arrived. (Yeak, he's the guy who sabotaged our Bar-B-Q machine.) Keeping this act of sabotage revealed to only a trusted few, Fire Chief Keith Tallman leaped into the nearest auto and drove with alarming speed to Haliburton where he hijacked another Bar-B-Q machine. Meanwhile, back at the Fire Hall, his fireman colleagues (and so I'm told their wives), were busily tidying up a fire hall which was in a somewhat state of disorder, (would you believe a chaotic mess?).

The (raliests? rallyists? rallyests?, who said teachers know how to spell?) members of the rally sped? unerringly? towards their destination, Buck Lake. After one and a half hours, a bloody lip, several close calls with rocks and trees, a broken muffler, and a faulty gas line (who said snowmobiles are easy to push up hills?) we arrived at our destination.

At Lloyd Barnes' hunting camp at Buck Lake, Mel and Bessie Croft had a welcome fire roaring as we all sat down for a meal of beans and hot chocolate, and a grateful rest.

Upon leaving Buck Lake our arch-enemy Mr. Jinx struck again and stealthily spread seven inches of slush under the snow, catching 17 of our 20 machines in this devilish trap. Have you ever pushed 17 snowmobiles out of seven inches of slush? You just haven't lived, buddy, and if you think you have you won't for long after that experience.

Half a league, half a league, half a league onward into the valley of rocks and deep snow rode the fateful 40 (with apologies to Lord Tennyson).

Finally, at about 3:15 p.m., the whole and still hardy adventurers arrived back at the Fire Hall still craving for more. So, 15 machines set out on another short trail and one half hour later 13 returned. At 3.45 p.m. a rescue party was sent out to track down Mr. Hughes (out of gas) and Colin O'Neil (out of luck with a broken track).

At 4:15 p.m. everyone sat down to a deilcious meal of Bar-B-Q chicken, baked potatoes, peas, corn and rolls, and then topped h's off with pie and ice cream and hot chocolate.

After supper the Fire Hall was cleared of tables and chairs and a party and dance was held, with spot dance prizes being won by John Sanderson, Jacqueline Scott, Diane Maxwell, Philip Scott, Gail Tallman, Doug Bowen, Michael Croft and Jackie Bidgood.

At 8:30 p.m. the party broke up and everyone went their separate ways, but all shared the same satisfied feeling.

FOOTNOTES:

Perhaps the highlight of the entire rally was the spectacular and daring stunt driving of one Mr. Charles Hughes, who seemed obviously under the impression that he was kin to Christopher Columbus. With reckless abandon he threw caution to the wind and blazed new trails (obviously not satisfied with his middle position in the rally) over huge rocks, down steep gullies and into, around, and even up some trees. Charlie's performances at the throttle was witnessed by 39 spellbound spectators, all eager to catch a glimpse of the only snowmobile in Haliburton County that has travelled over more snow on its side and windshield than on its track.

If you are interested in how many hills there are between Wilberforce and Buck Lake, ask Jackie and Danny Scott who have climbed them all.

If you want to know how a 4-foot wide double track Ski-Doo can travel over a 3-foot wide trail, ask Darryl Lewis.

Speak in a very loud voice to Marvin Townsend, who drove the whole route without a muffler.

The whole trip passed with the sighting of only one buffalo.

If I may be serious for a moment I would like to add my sincere thanks to all the wonderful people who made the rally possible: The Monmouth Fire Department for the use of their fine Fire Hall; Blake Barnes for his assistance in numerous ways throughout the day; Easton's Red & White for their Bar-B-Q machine; Gary Agnew for his butcher talents; Fred Taylor for assisting on the trip; Mel and Bessie Croft for getting up early and heating the camp and preparing the noon meal, and once again for assisting with the evening events; Phyllis Bowen who cooked some chickens; Sally Mather who made some delicious rolls and pies and also tended to the vegetables; Keith Tallman who rescued us by getting another Bar-B-Q machine; Adele Barnes who helped serve and clean up; Marjorie Tighe who helped serve and cook; Elmer Scott for the loan of his Ski-Doo; Bev Dawe of Moyer School Supplies for a $5.00 contribution; Sylvia Tallman who helped serve and cleaned up before and after the rally; and to Mrs. M. Deterling, Mrs. W. Sanderson, Mrs. M. Finlay, Mrs. W. Schofield and Mrs. M. Tallman for contributing goods to the rally.

My extra special thanks to Floyd Tighe who carried the ball organization-wise and guided us on our tour.

My apologies to Mr. Nelson Ward and fellow colleagues for the unusual grammar found in this selection.

GOODERHAM NEWS NOTES

Mr. and Mrs. J. E. Pickens are spending the winter months with their daughter, Miss Vanieta Pickens, at Whitby. We hope they will recover their health speedily.

Mr. Jas. Pickens and friend were home for the weekend.

Mr. and Mrs. Gordon Barr spent last weekend at the home of Mr. and Mrs. John Crowther of Dundas. They stayed there for a couple of days due to the sleet and snow storm that tied up traffic.

Miss Christena Pickens has been out of school with the flu. Mrs. Dovell Sr. and Mrs. Dan Dewey have also been quite ill with the flu. Their friends wish them a speedy recovery.

Mr. and Mrs. Len Milburn are recovering from a serious bout with the flu bug.

. . .

The U.C.W. held their January meeting at the home of Mrs. Allen Madill. The meeting followed the theme of the New Year in song and verse.

Mrs. Lorne Hunter gave the Meditation on "Loyalty, bringing out our loyalty to our God and our Church and friends".

Due to the extremely cold weather and illness among the members, it was decided to postpone the election of officers until the February meeting.

Mrs. Hunter, our Friendship and Visiting Secretary, gave her report of 265 cards sent, 111 house calls and 83 hospital calls. This is a fine effort from such a small group.

Mrs. Madill gave a very excellent Treasurer's report.

Delicious refreshments were served by our hostess at the close of the meeting.

The Friendship Circle met at the home of Mrs. Aldridge Hunter last week with an attendance of nine members. A time of good fellowship was enjoyed by those present.

The names of Secret Friends were drawn for 1968.

Mrs. Dallyn Pickens invited the ladies to her home for the February meeting.

Mrs. Mabel Hunter is to take charge of Public Relations for the next meeting.

It is a real pleasure to have Mrs. Allen Hadley able to be out again after the long convalesence with the broken ankle.

Church News

EVENING BRANCH A.C.W.

The Evening Branch of the Anglican Church Women of St George's Church met at the home of Mrs. John K. Smith, with 17 members present.

Reports were given for the past year.

Paul Carpentier gave a very interesting talk on his visit to the Missionary Convention in Urbana, Illinois.

Rev. Carder was in charge of the Bible Study.

A delicious lunch was served by Group Two.

CHURCH NEWS

HALIBURTON U.C.W.

A General Meeting of the Haliburton U.C.W. was held in the Church on Monday, January 15 at 8 p.m., with the President, Mrs. Earle Casey, presiding.

Mrs. Ronald Curry conducted the Worship Service, taking as her theme "Heroines of Faith", based on Hebrews 11, verses 1-3.

The roll call and reading of the minutes of the December meeting were followed by reports from the various Committee Convenors.

A number of items of business were discussed and dealt with accordingly.

The attention of the members was called to the Annual Congregational Meeting and Pot Luck Supper to be held in the Church Hall on January 28 at 5:30 p.m. Also, the Women's World Day of Prayer will be held in the United Church on Friday, March 1 at 2:30 p.m.

Mrs. Jack Robertson, in charge of the programme, presented a very informative paper on the significance and composition of our United Church Crest and the obligations and duties of those who comprise the various boards of our Church.

Refreshments were served by the hostess following the singing of the closing prayer.

School Health Service 1967 Report

Although I am very happy to be able to give you this report of my work with the School Health Service for 1967, I feel rather sad when I realize that it is the last report I'll be giving you.

For the past three weeks I have spent quite a lot of time trying to clear out the office. The task, I assure you, has been very exhausting considering the accumulation of 15 years of activity. Everything has changed so much during that period since the School Health Service was initiated in 1952. It has been almost impossible to keep up with all the changing procedures, etc., and if one were to take time to read and study all the literature that comes from time to time and fill out all the questionnaires, survey forms, record sheets, etc. that one is supposed to do, it would be impossible to carry out the work that one is specifically trained to do.

In looking through old correspondence, records, etc., many a train of thought took me farther and farther away from the task at hand. Thus I have come to realize more than ever what a great blessing this Service has been to our County. It is not the statistical part that is most important in my mind, but the fact that the citizens, both old and young, are now HEALTH conscious. They know about the importance of immunization against the preventable communicable diseases. Parents now routinely take their infants to their doctors for their "needles" and the older ones get their booster doses regularly at the school clinics.

One has only to visit one of the monthly Chest Clinics to see how popular they are. And parents know, too, that their children are expected to have medical examinations before starting school. If a child's name has been accidentally left off the list and no form sent, I am sure to receive a call asking for the necessary form.

The Councillors of the past 15 years or more are to be highly congratulated on their understanding of the health needs and for their efforts to supply the best services for their citizens. We can now turn over to the care of the new Health Unit over 1400 elementary school children and more than 500 high school students, practically all of whom are immunized against Diphtheria, Tetanus and Polio, with reinforced doses good to 1969. They all received the Heaf T.B. tests last spring and Grades 11, 12 and 13 were immunized against T.B.

Figures are always a long way from telling the whole story but some people find them interesting so I shall pass a few on to you, and also a summary for the full 15 years of Service. It is just since 1959 that records have been kept of the total number of home visits made.

During 1967 I made 460 home visits to 202 families. In the past nine years 3,228 visits were made to 1,748 families. During 1967, 24 visits concerned infants, 76 preschoolers, 306 school children, 89 adult and 18 aged. During 15 years of service 166 visits were concerning infants, 898 pre-school, 3,008 school and 778 adult.

Regarding School Health activities: In 1967 I did 1,200 inspections of various kinds (not rapid classroom inspections), 544 vision tests and 186 hearing tests. Total for 15 years: inspections 12,520, vision tests 12,331, hearing tests 1,943.

During 1967 nine Immunization Clinics were held with a total attendance of 1,185, with 1,012 inoculations and 441 vaccinations. 2,124 school children, 2 preschoolers and 43 adults were given TB tests and 82 high school students were immunized against TB.

I could find no records of clinics in 1952, but since that time 281 clinics have been held with a total attendance of 18,743; 17,990 inoculations and 4,974 vaccinations were given. I gave 2,598 doses of Sabin Oral Polio Vaccine in 1962.

Although I know that Miss Minott did some TB patch testing, I can find no record of the number given. However, during my time 12,568 Heaf tests were given. All reactors to the tests were re-tested and have been X-rayed regularly if indicated. Three children were found to have TB and were treated and cured.

As I have mentioned, figures do not mean everything. It is the individual cases that are most important. It is only through visiting the homes and understanding the family situation and general environment that one can help many who need help so badly.

In closing I would like to say that during my term as your Public Health Nurse, I have sincerely tried to fulfill the aim of the School Health Service which is, quoting from Miss Emory's book "Public Health Nursing in Canada", "The aim of the school nursing service is that each child experience health, physical and mental, in this and future generations. This aim is carried out by the **protection of health, the correction of physical, dental and mental defects, and the promotion of positive health.**"

I have thoroughly enjoyed this work and my only regret is that, seeing so much more to be done, I must leave it for someone else to do. It has been a real pleasure working with the various organizations, both local, such as Rotary, Kinsmen, Red Cross, TB Association, etc., and also the Children's Aid, C.N.I.B., Society for Crippled Children, Social and Family Services, etc. They have all been most co-operative and helpful.

The doctors (5 Medical Officers of Health) have been wonderful to work with. The sudden passing of Dr. Carroll was a terrible blow to all of us.

I would like to wish one and all the very best for 1968, and I hope that the Victoria - Haliburton County Health Unit may soon be functioning and that it may be particularly active in this area.

Thank you,
Gertrude F. Miller,
Public Health Nurse.

LOCHLIN

Mrs. Guy Bloomfield spent last Friday with Mrs. Boyd Scheffee of Haliburton.

Mr. and Mrs. Fred Sawyers and family of Fowlers Corners were weekend visitors with Mr. and Mrs. Carl Dugan.

Mr. Gerald Hicks attended a hockey meeting in Bobcaygeon on Sunday.

Mr. Jim Wruth visited on Saturday with Mr. and Mrs. Jim Dugan and Mr. and Mrs. Joe Shaw.

Mr. and Mrs. Les Hogg spent last Wednesday evening with Mr. and Mrs. Doug Carpenter.

Congratulations to Mr. and Mrs. Wally Brown on the arrival of a baby girl; a wee sister for Stanley.

Mr. and Mrs. Dick Milburn of Gelert called on Mr. and Mrs. Russell Burk on Sunday evening.

Mr. Carl Dugan was a business visitor to Fenelon Falls on Monday.

Mr. and Mrs. Allan Francis spent Saturday evening with Mrs. John Francis.

Elementary School Teacher Retires

On Wednesday, December 20, 1967 the gymnorium of York Mills Elementary School was prettily decorated in the colour scheme of the festive Christmas season for a Retirement Tea in honour of Miss Ada Gibbs, who has been a teacher in North York for the past 17 years.

Present at the Tea were more than 40 guests who were friends of Miss Gibbs from the teaching staffs of various North York schools, retired teacher friends, relatives, and other friends outside the school circle. Also in attendance were two former pupils taught by Miss Gibbs in Dorset, John and Ruth McLennan, now of Richmond Hill.

The inspectorate was well represented as there were present supervisors from three branches of special services, Speech Correction, Music and Library Departments, with whom Ada had worked, and who wished to pay their respects and to wish her well on her retirement from the teaching profession. Former principals and three inspectors also attended and congratulated Miss Gibbs on her faithful service in the area.

A delicious lunch was prepared and served by the York Mills staff, assisted by some of Miss Gibbs' Grade VI pupils who were loath to see their teacher leaving.

Mrs. Gertrude Paterson of Cameron Ave. School, who had perhaps been associated with Ada longer than others present, was chosen by the group to give the address and make the presentation of a sterling cream and sugar service, complete with tray.

In appreciation Miss Gibbs fittingly thanked her friends for the beautiful gift and kind wishes. She then enumerated, briefly, a few of her most interesting experiences in rural schools in the Haliburton area, and then spoke of the advantages she had personally discovered while teaching in the large Metro area.

Earlier in December, at a Parent Teacher Association meeting, an engraved silver flower bowl was given to Miss Gibbs: and her pupils, not to be outdone by the grownups, presented their teacher with a bronze crystal necklace and earring set at their class party on closing day.

Miss Gibbs' friends wish her a long and happy retirement at her home on Maple Lake.

(The above is a copy from a North York newspaper)

Maple Syrup Fetes Being Considered

LINDSAY (ENS) — Maple syrup festivals may be held this year at Haliburton and Lakefield, Directors of the Ontario Maple Syrup Producers' Association heard recently at a day-long meeting held at the Provincial Government Building in Lindsay.

The 15 directors attending heard that festivals were already planned for Elmira, April and Elmvale. Other centres considering holding a festival to promote the industry are Algoma, Madawaska, Haliburton, Sundridge, Huntsville, Lakefield and Pembroke.

The directors were invited to hold the next Annual Meeting at Haliburton this fall. Decision on this will be taken at the next meeting, being held in February.

There was considerable discussion concerning ways in which the sale of maple syrup could be increased in Canada, and also to be explored is the possibility of using clear plastic bottles for the product.

It is hoped that production of maple syrup this year will surpass the 225,000 gallons produced in 1967.

Wallace Crofts of R.R. 2, Haliburton, the association's President, told directors that the sale of syrup at the Royal Winter Fair in Toronto was excellent. He said the product was well received by the public.

Among those attending the meeting was Brent Gilbertson M.P.P. for Algoma.

ENGAGEMENT

Mr. and Mrs. John H. Wilson of Gravenhurst wish to announce the engagement of their daughter, Joanne Elizabeth, to Mr. Wayne Harvey Hughey, son of Mr. and Mrs. Harry Hughey of Harcourt, Ontario. The marriage to take place Saturday, February 17 at 7 p.m. at Trinity United Church, Gravenhurst.

Card of Thanks

We, the Minden Area Vote "No" Committee, want to thank all those who so whole-heartedly supported the "No" Vote on January 15th.

On behalf of the family of the late Christina Maude Rogers, I wish to thank all relatives and friends for the many kind words and acts expressed and performed after the very sudden death of a beloved Mother and a faithful Wife. May the blessing of a loving Heavenly Father abide with you always. Sincerely,
Clayton P. Rogers,
Moorefield Acres, Carnarvon.

We wish to express our sincere thanks to each and everyone who helped us through our days of sorrow with their deeds of kindness and words of sympathy in the loss of a true and faithful Mother.
The Moores,
Robert, Raymond, Alex and Mary.

IN MEMORIAM

Active Service In Memoriam

DAVIDSON — In proud and loving memory of our dear brother Lieut. Ross Davidson, killed in action in Germany on January 29, 1945.
Memories are like threads of gold,
They never tarnish or grow old,
Dearer still as the years depart,
His memory lives within our hearts.
—Sadly missed by Bernard, Aiken, Lauretta and Bernice.

MARSHALL — In loving memory of a dear husband and father, George Marshall, who passed away January 21, 1964.
Gone, dear husband, gone forever,
How we miss your smiling face,
But you left us to remember
None on earth can take your place.
A happy home we once enjoyed—
How sweet the memory still—
But death has left a loneliness
The world can never fill.
—Sadly missed and always remembered by wife Margaret and son Ralph.

McELWAIN — In loving memory of our dear mother, Ada Marion, who passed away on January 24, 1948.
Those we love we never lose,
For always they will be
Loved, remembered, treasured,
Always in our memory.
—Ever remembered by the Family.

Minden Centennial Committee Report

The following is a list of some of the celebrations that took place in this area during our Centennial Year, 1967:

JANUARY 1
The year was ushered in by the ringing of church bells by the St. Paul's Anglican Church, the Minden United Church and the Mennonite Church.

JANUARY 28
A Turkey Dinner was held in the Carnarvon United Church to which the Centennial theme was applied.

MARCH 19
An Inter-Faith Church Service was held in the Archie Stouffer Public School, with 175 people attending.

MAY 26
A Fun Party was held in the Auditorium of the Hyland Crest Home, with the party taking the form of a box social, after which both round and square dancing was enjoyed. Many of those attending were dressed in old time costumes.

MAY 30
The Minden Kinettes were hosts to their members from their entire zone; the party took the form of a fashion parade and was very well attended.

JUNE 18
The Scouts and Cubs held a cook-out, with the fathers of the boys also attending.

AUGUST 15
The Minden Kinsmen Club sponsored a Field Day during the morning. In the afternoon of the same day the "Armed Forces Travel Team" performed at the Fair Grounds. This team consisted of 150 army personnel made up of a military band, a combat team and a drill team. The ladies of St. Paul's Anglican Church and the United Church joined in hosting the Army personnel to a noon meal at the United Church. A dance was also held in the evening at the Curling Club.

AUGUST 23
Through the combined efforts of this committee and the Haliburton Highlands Chamber of Commerce and the local Council, the Confederation Caravan was brought to this area, with Minden being the only place in the County which the Caravan visited. The Caravan consisted of seven large trailers which depicted the growth of Canada from its early beginning to the present time. Nearly 7,000 people attended.

AUGUST 26
The Minden Fair this year was colourful with a Centennial flair. The costumes and the articles with Centennial in mind, as well as the antique display, were an added feature.

OCTOBER 29 & 30
The Minden United Church held a Turkey Dinner on the evening of October 29th, followed by special services on Sunday, October 30 (morning and evening) to which the Centennial theme was also applied. During the summer the United Church Women completed their Centennial project of refinishing the floor in the basement of the Church.

NOVEMBER 22
The United Church Women held a Centennial Christmas Tea. Several ladies were in old time costumes, with a lovely display of antiques being there as well.

Plans are completed for the erection of a war memorial monument on the grounds of the Minden Post Office, but due to the time required for permission to place this on Post Office property, it was late in the year before this permission was obtained. The monument will be erected in the spring of 1968.

There may have been many more Centennial projects, but these are the ones reported to the Centennial Committee.

This village is to be complimented on its splendid work and especially to its Centennial Committee who took time from their busy world to celebrate our country's Centennial Year, 1967.

Coming Events

The Haliburton School of Fine Arts is pleased to invite you to its first Exhibition in its new Art Center on Highland Street in the Village of Haliburton. We are pleased to present The Fourth National Burnaby Print Show through the courtesy of the Art Institute of Ontario, January 25, 1938 to February 8, 1968 from 2 to 4 p.m. each day except Sundays. We are also happy to say that Mrs. Katja Jacobs-Kennedy of Toronto will give a lecture and demonstration of print-making in connection with this Exhibit on Saturday, January 27th, 1968 at 8 p.m. The Haliburton School of Fine Arts is planning to run a course in lino-cutting during its coming summer program, and this Exhibit will be particularly attractive to those who might be interested in taking that course. The School would be pleased to hear from anyone interested in such a course. We hope that you will drop in to see the Exhibit, and that you will also attend the lecture and demonstration on the evening of Saturday, January 27th, 1968.

Carnival Turkey Dinner on Saturday, February 3, 1968 from 5 to 8 p.m. in the Christian Education Building, Carnarvon. Admission: Adults $2.00, Children $1.00.

The Students of the Haliburton Highlands Secondary School invite the public to attend a concert by the famous Hart House Glee Club to be held in the School Auditorium on Friday, February 23 at 8 p.m. Admission $1.00 per person.

Haliburton News Letter

Dysart Council at a special meeting on Saturday morning last accepted the tender of Boice Motors for the supply of one [illegible] Roadster in the amount of $3,900.00. The tender is subject to the approval of the Municipal Engineer of the Department of Highways. The motion to accept the tender received the unanimous approval of Council. Tenders submitted were as follows: Boice Motors $6,900.00, Curry Motors $6,633.00, Barrie Motor Sales $7,384.34; Elstone Motors $7,100.00.

For the past few days the weather here has been very mild but the mercury fell to 14 degrees below here on Wednesday morning. However, we have not near as much snow as we had one year ago, and those who came up from the city last week were surprised that we had missed the big snowfall that tied up everything in the city.

We learn that Mrs. Louise Watson of R.R. 2, Minden is the first lady to enroll in the flying classes being conducted at the Stanhope Municipal Aerodrome. We might add that this school is approved by the Department of Transport, and they are prepared to give private or commercial flying instruction.

* * *

Some years ago Mrs. Nila Reynolds wrote a series of articles regarding early times in the Highlands of Haliburton, entitled "In Quest Of Yesterday". To say that these articles were well received is putting it mildly, as after a few appeared in the paper the demand became so great that we found that we could not supply enough copies to go around. After many months of research Mrs. Reynolds has written a book on this subject and it will be published through the co-operation of the Chamber of Commerce and County Council. We will inform our readers as to the date the book goes on sale later.
